Power Over Parkinson's 7th Annual Golf Tournament

Monday, September 21, 2025

Hunting Hawk Golf Club

Please join us for a day out on the golf course! Participants will enjoy beautiful Hunting Hawk Golf Course while supporting Power Over Parkinson's. Plan to have your lunch either in the clubhouse before you get started or bring it along in your cart for when you're ready! We'll have a dinner and awards banquet on the pavilion at the conclusion of the tournament! It's going to be a great day for an even greater cause!

A Message from Our Founder

As we prepare for our seventh annual charity golf tournament, I am incredibly grateful for the community that has stood beside Power Over Parkinson's since its beginning. When I was diagnosed with Parkinson's nearly eight years ago, I quickly learned that exercise, education, and meaningful connection are just as vital to living well as medication. That realization became the foundation of Power Over Parkinson's. Thanks to the generosity of supporters like you, we are able to offer free exercise, wellness, and educational programs that empower individuals and care partners navigating Parkinson's—removing financial barriers so people can focus on their health, hope, and quality of life. This tournament is more than a fundraiser; it's a shared commitment to ensuring no one in our Parkinson's community has to face this journey alone.

Sponsorship of this tournament has a direct and meaningful impact on the Parkinson's community we serve. Funds raised allow us to provide free, evidence-based exercise programs, including strength training, functional movement, purposeful stretching, and other movement classes that help slow physical decline and improve quality of life. Sponsorship also supports wellness and social programs that reduce isolation and depression by bringing people together who understand the daily challenges of living with Parkinson's. In addition, your support makes it possible for us to host educational workshops and conferences, giving individuals and care partners access to the latest research, treatment options, and tools needed to advocate for their care.

By sponsoring this tournament, you are helping remove financial barriers that often prevent people with Parkinson's from accessing the programs proven to help them live well. Navigating Parkinson's is difficult enough—Power Over Parkinson's exists to ensure that cost is never the reason someone goes without exercise, education, or community. Your partnership allows us to continue offering these programs at no cost, while expanding our reach to serve even more individuals and families across Central Virginia. Together, through this tournament, we are creating lasting impact, restoring hope, and empowering people with Parkinson's to live stronger, healthier, and more connected lives.

-Gary Rogliano

About Power Over Parkinson's

POP is a 501(c)(3) tax-exempt foundation supporting the use of exercise and wellness to reduce the symptoms or slow the progression of Parkinson's Disease and other neurodegenerative disorders.

Through its strategic partnership, Power Over Parkinson's is proud to have VCU Health as a beneficiary of this event, too!
